

C A M P K E E P

Attention Incoming 6th graders:

Camp KEEP will be in the fall of the 2017-2018 school year during the week of **October 2-6, 2017**. Camp KEEP Ocean is a 5 day environmental sleep-away camp in Montana De Oro State Park. The cost is \$300. Registration begins on the Valley Oaks Website on **March 28th at 8:00 am**. Your spot will be held with a \$100 non-refundable deposit and must be brought to the office by April 3rd. Incoming 5th graders will have the opportunity to attend if there are spots available. They can register on the waiting list at the office and will be contacted if there are openings after September 1.

Camp KEEP is an environmental program that helps children understand the natural world. Students learn first hand about many unique ecosystems, and return with an increased awareness of their environment and their responsibility to manage it wisely.

The ocean, tide pools, and dunes will serve as a laboratory where students will be involved in nature study, recording and analyzing data and sharing new-found information which will help them understand and appreciate themselves more fully.
