Great news! As before, your child will still receive a total of 8 classes for this year. Your job is to choose a block (Red, Blue, Green, or Purple). Once you have selected a Block and signed up online, your child is signed up for Enrichment classes for the **entire** year! Remember Enrichment sign-ups are on a first come first served basis. Sign-ups for the 2018-2019 school year for K/1 are on Tuesday, September 21, 2018 at 10:00 a.m.

Class Descriptions

Discovering Great Artists – Students will learn all about Picasso, Pollock, Kandinsky, Seurat, and Mondrian. Come ready to paint, color, cut and glue while you learn about these famous artists.

Campfire Circle – Students will experience the wonders of camping through songs, stories, and crafts.

Farm Buddies – Students will learn about plants and animals while experiencing life on Hokit Farm. **Please wear closed toed shoes.**

Music & Art – Students will explore music and art by hands on activities.

Your Fab Five – Students will learn all about the five senses and how they work and why they are important through writing, games and other activities. You will be amazed at how all these five senses work together to make you unique.

Weather and Seasons –Students will learn about what makes weather and why we have seasons through hands on activities.

Pirates VS Princess – Enjoy literature, writing, games, and other fun activities centered around Pirates and Princesses

Books with STEM - Students explore **S**cience, **T**echnology, **E**ngineering, and **M**ath with hands on activities that go along with children's books.
