Revised: 1/14 (Online Classes Reverse Side)

## Valley Oaks Charter School High School Bakersfield Course List

Cyber High is an *electronic* high school curriculum that prepares students for the new information age workplace by using Internet resources. The goal of Cyber High is to integrate educational curriculum and technology in using the power of the World Wide Web and provide students with experiences and resources through the computer-based curriculum. Please talk to your resource teacher about the possibility of online coursework.

\*UC Approved

### III. HONORS/ADVANCED PLACEMENT COURSES (APEX LEARNING VIRTUAL SCHOOL)

Every Apex Learning course is developed with a complete course of study — a digital curriculum — that comprises standards-based instructional content specifically developed for online delivery, with assessment opportunities integrated throughout, scaffolding to support learning for all students, and resources to support effective teaching. There are enrollment requirements for honors and advanced placement courses. Please talk to your resource teacher. Students may earn extra grade points for Advanced Placement courses. (See VOCS grading policy) AP=Advanced Placement & H=Honors
