Dear Parents and Students:

Welcome to the 2025-2026 school year at Valley Oaks! We are excited to see all of our returning students and their families, and we are thrilled to meet all of our new students and families.

We are all here to help and support our homeschooling educators, ensuring that students are learning. Open communication with your resource teacher is paramount towards developing trusting relationships, which are necessary for learning and growth. Growth for every student is our goal!

## Parent and Student Responsibilities

### Parent/Guardian/Caregiver Responsibilities:

- VOCS Teachers, parents/guardians/caretakers, and students work as partners to design and implement an educational plan for each student. The educational plan includes the Course of Study and the Assignment/Work Record developed for each term (a maximum of twenty (20) school days) which address the California State Standards.
- Parents/guardians/caregivers provide direct daily instruction and educational activities as planned by a VOCS Resource Teacher and the Parent Educator. Assignments are made or approved by the Resource Teacher prior to implementation.
- There must be a parent/guardian/caregiver or designated adult with the student(s) during the day to provide the direct daily instruction, Monday-Friday for approximately 4-6 hours daily depending on grade level.
- Parents/guardians/caregivers/students are responsible for keeping all appointments with the Resource Teacher(s) and submitting completed, reviewed, and corrected original work on or before the date due.
- Maximum assignment period is four weeks during which parents/guardians/caretakers/students must meet with a Resource Teacher a minimum of at least one time. When circumstances justify a longer time, the principal or designee may grant an extended period up to one semester.
- Attendance will be given after assignments are complete, graded, re-taught as needed, and an evaluation by the Resource Teacher(s) deems them satisfactory.
- Students who fail to satisfactorily complete a four-week assignment and/or meet with a Resource Teacher a minimum of at least one time within a reporting period will be placed on academic probation for one reporting period.
- Students who fail to meet the terms of probation after a maximum of two probation periods during the school year will be involuntarily

disenrolled from VOCS and the district/school of residence will be notified.

## Academic Probation Policy

At Valley Oaks Charter School (VOCS), the parent and student are responsible for keeping all appointments with their resource teacher. Submitting satisfactory completed graded original work, in all subject areas, on or before the due date, submitting lesson plans, and showing academic progress as determined by the resource is required. Maximum assignment period is twenty (20) school days, aka one reporting period.

Academic probation will take effect if parent and/or student fail to meet the above criteria as well as the terms of probation listed below.

### The terms of probation include:

- If parent and student fail to meet scheduled appointments, fail to turn in satisfactory graded completed work, and/or fail to show academic progress during any assignment period, the parent and student will be placed on academic probation for a minimum of four school weeks.
- Per Master Agreement, further grounds for academic probation are habitual tardiness and frequent appointment cancellations/reschedules as determined and documented by the resource teacher.

- Students earning less than 70% of days possible as reported on the Assignment Work Record (AWR) for any report period will be placed on academic probation.
- During the probation period, the parent and student must meet weekly with their resource teacher. All assigned work must be provided, graded and completed, and evaluated as satisfactory by the resource teacher.
- The parent and student may not attend extracurricular activities, as determined by their resource teacher and administrator during the probation period including but not limited to: vendor services (student will be removed from vendor services and will not be able to enroll again until the next semester), field trips, enrichment classes, workshops, and/or other extracurricular activities, unless otherwise approved by the administrator.
- Parents and students who have been on academic probation (one or two times) during the year will not be eligible for the Core Subject Instructional Grant (special orders) for the following year.
- Academic probation may also include additional responsibilities designed by the administrator and/or the resource teacher with the approval of the administrator (i.e. attending Jr. High Academy, tutoring).
- If parent and student fail to meet the terms of a single probation, the student will be dropped from VOCS and referred to his/her district of residence.
- The parent and student may be on academic probation no more than two times in one academic school year. If after two probations (a maximum of eight school weeks), the student's performance is again unsatisfactory he/she will be dropped from VOCS and referred to his/her district of residence.
- If parent and student successfully meet the terms of academic probation as outlined, probation will no longer be in effect.

### **New Enrollees:**

- Students enrolling for the first time with Valley Oaks Charter School may be put on an initial trial period, at the discretion of the designee/administrator. This probationary period will be 20 days or approximately four (4) weeks. If the student is meeting scheduled appointments and turning in satisfactory work, then the student will be taken off probation.

- If the student fails to meet these expectations, then the student will be dropped from the program and referred to their district of residence.

### Re-enrollees:

- A student who failed to meet the terms of probation and was dropped from Valley Oaks Charter School may not request enrollment any sooner than the last day of the semester following the semester in which the academic probation occurred. Students must seek approval from administration prior to re-enrollment.
- When re-enrolling, students must meet the terms of probation for a period of four school weeks in order to continue enrollment at Valley Oaks Charter School.

## VOCS Plagiarism and Academic Honesty Policy

Valley Oaks Charter School believes that academic honesty and personal integrity are fundamental components of a student's education and character development. We expect that students, parents, and school staff will not cheat, lie, plagiarize or commit other acts of academic dishonesty.

The school will not accept work submitted that is not the original work of the student. When a resource is being cited, care must be given to give credit to the originator of the work. When parents are given teachers editions, they are to use them to plan lessons, assist students with concepts, and evaluate lessons. Teacher Editions and supplemental answer documents shall not be misused.

Students found to have committed an act of academic dishonesty shall be subject to disciplinary action set forth by the criteria listed below or that which is deemed appropriate by school administration.

## CRISIS INTERVENTION

Intervention protocols to assist students in a crisis involving suicidal thoughts or behaviors are a critical component of both the county office and site responses. These protocols aid school personnel in intervening effectively with suicidal students. Site administrators play a crucial role in establishing a school climate that requires key site personnel to be familiar with and responsive to a suicidal crisis in order to help prevent a death by suicide. Students may self-refer to counselors or be referred by staff, parents or peers. Intervention protocols will vary based on the determined degree of suicide risk.

Every school site has a Safety Team or Crisis Response Procedures. Staff members are trained to recognize potential risk factors for suicide. Exhibiting some of these behaviors does not necessarily indicate suicidal ideation.

For more information on warning signs, risks, and services, please visit our website and click on the Parent Resources tab, or call 988 for immediate assistance in an emergency.

## BULLYING

Valley Oaks Charter School in conjunction with Kern County Superintendent of Schools recognizes the harmful effects of bullying on student learning and school attendance and desires to provide safe school environments that protect students from physical and emotional harm. No student or group of students shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any other student or school personnel.

Any student who engages in bullying on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to corrective action, which may include counseling, behavioral intervention and education, and, if the behavior is severe or pervasive as defined in Education Code section 48900, may include suspension or expulsion, in accordance with Kern County Superintendent of Schools policies.

**Sexual Harassment/Discrimination and Title IX Complaint Procedures (E.C. sections 212.5, 220, 231.3 and 48980; 20 USC 1681-1688; and 34 CFR 106.1-106.82)**
