

7-8 Enrichment Descriptions Session 3

Welcome to the Improv	This class will help students get comfortable thinking on their feet. Together we will improve communication/presentation skills, learn how to respond quickly to unanticipated challenges, and recognize opportunities as they arise - while having fun and enjoying comedic relief!
Woodshop	This woodworking class is open to certified students of all skill levels (beginner, advanced, and proficient) Each student will construct a wood project according to his/her ability. Projects will be chosen from either the Valley Oaks Project Catalog or from a design created by the student with the instructor's approval. Safety shall be stressed at all times. Each week a new woodworking skill will be introduced to the class. Students must have passed safety certification to take this class. (limit 25 students) <u>If not safety certified, students must attend the class on 1/27/22 from 9:00 am - 12:00 pm. No exceptions!!</u>
Pathway to Student Potential	Students will have the opportunity to discover their potential through positive thinking skills, learning how to develop character, and build confidence.
Clay Creations - Virtual	Students will learn the basics of polymer clay to create a variety of projects
Farm	Students will explore the VOCS farm with Mrs. Haupt and Farmer Dane.
Olympic Games	Students will enjoy playing Olympic Games Valley Oaks style. Please wear athletic shoes and bring a bottle of water
